Placement cell of college organised two extension lectures on 20-09-2018 in college campus to guide the students about their career planning. Dr. Ashutosh Mishra, Dean of School of Journalism and Media Technology, Chitkara University, Raipura (Punjab) - imparted his knowledge on the topics Media Education: Relevance in Media Industry and Opportunities in Media Industry to students of college. The eminent speaker told that with growth of media industry the need of qualified media persons is rising rapidly. So the mass communication is a good option to choose for higher studies. The speaker also explained in detail about the various job opportunities in Media sector and also put light on the qualities required for different jobs in media industry. He also put light on new avenues opened due to technological advancement in this industry. The speaker suggested students to be tech-savvy to succeed in present era of competition and fast technological advancement. 87 students attended the extension lecture.

## Extension Lecture

To enrich and create awareness among students the Placement Cell of College organised two extension lectures on 9-3-2019 on the Topics - "Job Opportunities" and "Literature and Media with special reference to Hindi Journalism" By Dr. Ashok Kumar, Associate Professor of Hindi, Punjab University, Chandigarh. Dr. Ashok Kumar told the students of B3mc and M.A. (Hindi) to make their grammar strong. He put his views on the spelling mistakes and asked the students how to strengthen their language. Except report, proof reading is the most important part of a newspaper or magazine. One should read newspaper and the youth who are preparing for the services etc. make themselves aware about the literature and language by reading the newspaper. So, the students think about the job in newspaper as proof reader. He also told about the feature writing, poetry etc in the newspaper where a P.G. student of Hindi literature present himself for jobs. The lecturer ends with vote of thanks.

### Extension Lecture

for creating career awareness in students Placement Cell of college organised an extension lecture on the topic - "Career Counselling" on 11 March 2019 by Mr. K. D. S. Deoli, Director Principal, Chitkara University, Raipura (Punjab). He told students about various specialised courses available after graduation and their admission process as well. He also further explained the career options of these courses and their salary packages as well. The students took keen interest in his lecture and also made many queries which were satisfied by the speaker in a efficient and interesting manner. It was really a good experience for students.

## Extension Lecture

The Placement cell of college organised two extension lectures on the topics of "Job Avenues in Public Relations" and "Job Opportunities in Advertising" on 11-03-2019 afternoon by Dr. Manoj Dayal, Professor of Communication-Management and technology, G. J. U., Hissar.

Dr. Dayal told the students about the jobs of Public relation officer in govt as well as private sector. He said that growth of an enterprise or a industry is highly depends on the public relation. A public relation officer must has the general public and the industry in a knot. He also put his view on the jobs available in advertising agency. A person can earn in the advertising sector without spending much money and all it depends on the environment. Environment means the job i.e. work, changes with the time and one ~~can~~ student of mass communication can present himself in different jobs other than reporting.

68 students attended the lecture.
