ABOUT THE EVENT

Lean startup is a methodology for developing businesses and products that aims to shorten product development cycles and rapidly discover if a proposed business model is viable; this is achieved by adopting a combination of business-hypothesis-driven experimentation, iterative product releases, and validated learning. Lean startup emphasizes customer feedback over intuition and flexibility over planning. This methodology enables recovery from failures more often than traditional ways of product development.

Report on One day Workshop

" Angel Investment /Venture Funding Opportunities for Early-Stage Entrepreneurs"

(Dated: August, 29th, 2023)

Institutions Innovation Council of Government Post Graduate College Ambala Cantt. organized a One-day workshop on " Angel Investment /Venture Funding Opportunities for Early-Stage Entrepreneurs" on August 29th, 2023. The workshop was organized under the aegis of Department of Higher Education, Haryana. The Workshop was conducted under the leadership of Principal Dr. Sanjay Sharma and under the able guidance of Dr. Desraj Bajwa (Vice President, IIC), Dr. Shagun Ahuja (Convener, IIC) and Ms. Poonam Rajora (Coordinator Startup Activity). The aim of the workshop was to provide students with insights into the world of startup financing, focusing on angel investment and venture funding. This workshop aimed to enhance the participants' understanding of the concepts, processes, and challenges associated with this funding mechanism.

Brief about Workshop:

The Workshop started at 12:00 o'clock with the Inaugural address of student coordinator Harsh and Deepali. Under the guidance of College Principal Dr. Sanjay Sharma and IIC Vice President Dr. Desraj Bajwa, Start-Ups Coordinator Ms. Poonam Rajora while inaugurating the session encouraged the participants to unleash their untapped potential. The workshop spanned a half-day and was divided into sessions, each focusing on different aspects of angel investment and venture funding i.e understanding angel investment, Introduction to angel investment and its significance in early-stage startups., Discussion on the role of angel investors in fostering innovation and entrepreneurship, Real-world case studies highlighting successful angel investment stories, role playing act by students , Q&A sessions to address participants' queries and concerns.

About the Speaker:

The workshop featured Ms. Shivani Aggarwal (Founder, JCI Next Gen Leaders Chapter) cum social activist and philanthropist as Key Note speakers who provided valuable industry perspectives and enriched the learning experience. As an experienced entrepreneur she has shared insights into the criteria consider when evaluating startups for investment. She also discussed the importance of a strong founding team, market potential, and the uniqueness of the product or service. She said that venture capitalist offered participants a glimpse into the venture funding landscape.

Participants Engagement:

The workshop encouraged active participation through various interactive elements:

- **Group Activities:** Participants engaged in group discussions, brainstorming sessions, and role playing. This allowed them to apply theoretical concepts to real-world scenarios.
- **Q&A Sessions:** Participants had the opportunity to ask questions and seek clarifications from both the workshop facilitators and guest speakers.

Participants gained valuable insights from the workshop i.e., Understanding the differences between angel investment and venture capital, learning how to create effective pitch presentations to attract investors, recognizing the challenges and risks associated with startup funding, gaining insights into the mindset of investors and what they look for in startups.

The workshop on "Angel Investment and Venture Funding" proved to be a successful event, providing participants with a deeper understanding of the funding landscape for startups. By bridging the gap between theoretical knowledge and practical application, the workshop empowered students to embark on entrepreneurial journeys with a comprehensive understanding of funding options. The college remains committed to organizing such insightful workshops to nurture the entrepreneurial spirit among its students. Principal Dr. Sanjay Sharma appreciated the organizing committee members Prof. Poonam Rajora, Prof. Sujata Sasan, Prof. Hardish Kaur, Prof. Manisha Saini for successfully organizing this session. More than 80 students participated enthusiastically in this session. Dr. Shagun Ahuja, Prof. Gayatri, Prof. Prabjot, Prof. Monika Sharma, Prof. Deswal participated in this workshop and thanked the organizing committee.
