

Mentoring Committee Report

Dated: 2.3.2023

Mentoring of students is an integral part of our educational system; it aims in providing guidance and support. Mentors play a key role in the college as they help the mentees deal with academic difficulties faced by them thereby helping them complete their credits in a smooth manner.

The mentor mentee meet was conducted on 2nd March, 2023 for both UG (TDC I, II, III) and PG (Prev & Final Year) students. Mentors were given following issues to discuss with the mentees:

- Ensuring Attendance
- Maintaining Discipline

Mentors were asked to submit their short report to the committee. A total of 117 mentors were allotted approximate 3700 students. After receiving reports from mentors, issues raised by mentors were resolved by the mentoring committee and the same was shared with all the mentors.

Upon receiving feedback from mentees some of the important issues that were taken up by mentoring committee with the Principal were:

1. Clarity for attendance of students in the classes
2. Clarity on Disciplinary Rules

Some measures proposed after the discussion were:

1. Lecture shortage rules to be communicated to the students and should be adhered also.
2. Proctorial duties to be strictly followed for ensuring discipline in the college

Overall mentor mentee meet successfully achieved its objective and was a success.
