Motivation

Always

Never, they don't even care about what is going on in the college. They never come to the classroom at time. Also they don't even have the basic sense of speech. The talk to students in a very ill mannered behaviour. Neither they compete syllabus on time nor they guide about something. The most horrible staff ever.

once i was in classroom then teacher told me focus on your study and don't waste your time .

Aaaaaaa

In learning,you will teach, and in teaching,you will learn.

She always motivate us to be a good human being.

Participate in any social responsible event

Presentations

You can do anything!

Teachers never motivated the students

It was said in a lecture

An incident comes to mind when my teacher inspired me to be a good citizen. An environment protection campaign was going on in our school. Our science teacher explained to us how trees, plants and cleanliness are important for our lives

Every good citizen adds to the strength of a nation

Incident- help others always and it will come back to you. This lesson i learned through an story that the teacher quoted in the class.

Make the Good Citizen

Model making

Save trees and save future

To be self confidence and to control myself in way of words.

Seminars

The teacher motivated us to develop our EQ

I remember it's been a great attachment with our mentor. She always provided assistance to us. She's just like family.

NONE

like every day teacher motivated us

To participate in competition.

They all are motivated to do more plants in our society

Good for me

----- .

Honestly is a good policy

Once a time dr ravi Aggarwal sir motivated me to take participate in quiz related to psychology model but i am afraid very much but after getting motivation iam able to give my best

They motivated me by giving examples of a good human beings while teaching in class

Be nice with nature

In the class, whenever I lose my hope. My teacher guide me in a proper way.

Don't remember

Teacher was inspiring for students successful life.

All teachers are very good and helping

One of the greatest value of mentors is ability to see a ahead what other can not see and help them navigate a course to their destination

Voting day camp

It never happens..... They always give lec which don't have practical relevance

"Success is the sum of small efforts - repeated day in and day out." - .

At the time of examination of 1st semester my accounts teacher said that the information your books contain will work for you if you use it in practical way

Always help those in need

Singing

The best way to not feel hopeless is to get up and do something

I don't remember this time . But our all teachers are good

All teachers are encouraging us to be a good human being in our personal as well as in our social life.

They said plant more trees it will help our earth to regenerate

Har waqt hi teachers motivat krte hai

Motivate to indian culture event

Planting plants to make our pure

Many times

I participated in a number of events representing my college & within the college and had received various awards, with and through the help of teachers around me, which helped in improving my communication skills.

Every time our teachers motivates us to be a good citizen and good human . One day we went slum with our teacher Dr Tanjum and distributed pads to the women and biscuits to all the childrens . So it was a great day .

Sometime during the class

In class study

My teacher's motivated me for take part in NSS then I contribute in social activities of the society.

We were taught a lot in the NSS camp and such teachings are also given by the teachers in the classes from time to time.

We planted trees at our home on environment day and made people around us aware about it.

Human being

yes, our teacher told us to help people and respect them

In the mentor mentee meeting they inspired us to make our lives better

The first requisite of a good citizen in this republic of ours is that he shall be able and willing to pull his own weight

The college teachers is very nice

Think beyond limits

Many

When I was in 11th class my teacher motivate me to do work honestly

We planted trees at our home on environment day and made people around us aware about it

My teacher provide equitable opportunity for all students to develop their individual abilities.

College in general is not great. Teachers cannot physically come into the classroom as they will be teaching at the college level. Some teachers do not effectively explain topics and there are both irresponsible and responsible teachers. Additionally the classroom environment is not good as many students are using inappropriate language.

be a good and kind person

When I am in 4 sem my sem 3 result came and my marks are few less as expected and I become demotivated then my teacher motivates me

Need to make changes

The staff in the college never really teaches anything, they don't even accept admission forms on time. I don't expect them to teach because they don't even know how to talk to anyone. Very disgusting behaviour and vulgar language.

best college in the town

Average

Yes,if I speak honestly then I can say we have most dedicated teachers.

Library resources can be better

Well and good

Additional subjects like mdc etc. Are not beneficial and just because of them we couldn't focus on our major one
